

Over the past few months Eric Schweig worked with youth and community members to carve a mask as part of the Arts Enhancement Proposal funded by the First Peoples Cultural Council. We are happy to announce that it is done! Fantastic job everyone!

We also completed Culture Nights and Days in each of our communities through this project which included pine needle baskets, cedar weaving, soap stone carving, beading, painting, spirit bundle making, lanyard making, hoop dancing to name a few activities. Thank you for all who came out to these events and we look forward to many more events and activities in the Nlaka'pamux Culture and Arts.

For viewing of the 2 mask carvings we have done so far, drop by our office at 2187-A Coutlee Avenue in Merritt, we would be happy to see you!
